

Piedmont Hydraulics & Supply

Greensboro, NC - (336) 555-0167 - orders@piedmonthyd.com

Quote Request - April 8, 2026

From: Dale Whitmire

Need pricing and availability on the following. We don't have part numbers on our end, going off what the customer sent us. If you can cross these over to your SKUs that would be great.

#	Item Description	Qty
1	Hydraulic hose, 2-wire braid, 3/4 inch ID, SAE 100R2 rated, need 400 feet	400 ft
2	JIC male fitting, 3/4 inch, steel (not stainless)	60 ea
3	1/2" hydraulic hose assembly, 48 inches long, JIC both ends	15 ea
4	ORFS male fitting 1/2"	40 ea
5	Hose clamp, 1 inch, stainless T-bolt style	75 ea
6	High pressure hose, flexible, good for chemical service, 1/4 inch	150 ft

Need this quoted by end of week if possible. Customer is waiting. Ship to our Greensboro location.

Thanks,
Dale
